CLINICAL SKINCARE

Overall Skin Health: Musts for everyone

1 Pure Everyday Cleanser    

A gentle antioxidant-rich daily cleanser for all skin types/post healing.

- Pro-vitamin B-5 & Vitamin E aid in collagen stimulation.
- Tangerine, Bergamot & orange peel reduce inflammation.
- Contains African pepper seed; an anti-bacterial, great for post healing

1 AHA Exfoliating Cleanser   

A concentrated triple Alpha-Hydroxy Acid (AHA) daily cleanser.

- Strong anti-bacterial, anti-fungal & anti-inflammatory benefits.
- Perfect product for those needing additional daily exfoliation.
- Contains Australian Tee Tree Oil (purest on Earth).

2 Conditioning Prep Solution   

A daily skin-prepping agent with antioxidants & amino acids.

- Rejuvenates cells, fights free radicals & prepares skin for corrective agents.
- Soothes & protects for healthier, younger & firmer skin.

2 Clarifying Prep Solution    

A gentle, antioxidant-rich, daily skin-prepping agent. Good for all skin types.

- Reduces inflammation, clears impurities & gives a firming effect.
- Uses salicylic acid for exfoliation & provides skin with 19 antioxidants.
- Contains vitamin C (Ascorbic acid) for collagen stimulation.

4 Refinishing Complex     

A treatment that accelerates skin cell turnover and regulates pigment.

- With PRT™ (Pigment Regulating Technology).
- Promotes a more uniform distribution of melanin.
- Reduces the appearance of hyper-pigmented areas.

5 Transforming Skin Complex   

An everyday anti-aging treatment cream

- Provides protective skin barrier to help hold in moisture.
- Restores elasticity while repairing damage from environmental factors.

6 Prime & Defend SPF30

A lightly tinted, oil-free SPF 30 with antioxidant Green Tea.

- Broad spectrum UVA/UVB. It also keeps out environmental pollutants.
- Great for all skin types & is non-irritating.
- Excellent make-up primer / enhances make-up.

WEEKLY

Deep Thermal Cleanser   

A fabulous twice-a-week, at-home deep cleansing treatment.

- Formulated with self-heating clay.
- Polishes & smooths skin using natural sea salt.

Skin Correctors - Condition Specific

Moisture and Anti-Aging: Skin Hydration Complex

- “Anti-Wrinkle” effects with advanced peptide technology.
- Boosts skin hydration without adding oil.
- Soothes & calms skin, speeding post-procedure recovery
- Contains peptides & vitamin C.

Intense Firming Complex

- Includes the most advanced mega doses of Peptides & Antioxidants available.
- Reduce wrinkles by reducing muscle contractions with “Neuro/Toxin-Like” Peptides.
- Firms & rejuvenates skin with Collagen Boosting Peptides.

Ultimate Eye Kit

LIFT & FILL

- Hydrates, firms & plumps skin.
- Peptides boost cell metabolism around the delicate eye area, creating a firming & plumping effect.
- Hyaluronate Microgels offer superior hydration
- Asiatic Acid (Gotu Kola) reduces damage from aging.

FIRM & BRIGHTEN

- Stimulates collagen/elastin, which reduces fine lines & wrinkles.
- Helps lighten dark circles under eyes
- Nanosomal delivery provides rapid penetration

Oily Skin and Acneic:

Blemish Clarifying

A daily treatment, designed specifically for problematic skin.

- This complex is excellent for anyone with oily skin.
- Addresses bacteria, sebum production, inflammation, retention Hyperkeratosis, 5-Alpha Reductase, Hyaluronidase & Lipase Enzymes.

Pigmented and Uneven Tone:

Brightening Serum

A skin brightening serum that targets the enzymes responsible for pigmenting & aging the skin.

- Helps control inflammation & manages how the body’s own enzymes breakdown collagen & elastin in the skin.

NEW PRODUCTS *for* 2013

Triple C Vitamin Therapy Serum

- A revolutionary blend of three different, unique stabilized Vitamin C's.
- These three forms of Vitamin C create a remarkable synergistic combination that remains stable for longer periods, offering high antioxidant, collagen boosting properties without irritation.
- This formula penetrates instantly to provide longer-lasting benefits of Vitamin C throughout the day.

Superfruit Enzyme Exfoliator

- Gently lifts and exfoliates dead skin cells, unwanted pigment and debris from within pores.
- Uses a high potency blend of Mangosteen, Gogi, Noni and Cranberry superfruits.
- Formulated with a proprietary enzyme blend, skin will become smoother, softer and calmer in minutes.
- Works on all skin types, including sensitive skin.

OUR KITS

Société products were developed using a combination of many years of training, a comprehensive knowledge base and a robust background in chemistry in order to formulate the most effective and safest products for you, our client.

Acai Berry Lactic / Glucan Peels

Accelerates the removal of the top layer of skin and produces a younger, more vibrant skin tone.

TWO Strengths:
15% & 30%

Ingredient Classification System

A five-ingredient breakdown targeting the essential components needed to achieve healthy skin. The numbers on each box indicate how many Antioxidants, Acids, Proteins, Plant Sources and Vitamins are in each individual product.

Antioxidants protect the cells and counteract free radicals. This is why a very complex amount of antioxidants are essential in providing the best skin defense. A variety of them are found in every one of our products and are clearly identified for ease-of-use and understanding. **Example: Resveratrol**

Acids are vital ingredients that aid in skin cell exfoliation for a fresh, radiant, healthy looking skin. **Example: Malic Acid**

Proteins are the group of essential amino acids that act as the building blocks for protein in your skin. Research shows that about 75% percent of your skin is protein, which is essential for creating a healthy base. **Example: L-Carnosine**

Plant Sources are directly linked to natural botanical extracts, oils or derivatives of. **Example: Lemon Peel Oil**

Vitamins are essential for all cell functions and particularly important for your skin. **Example: Retinol (Vitamin A)**

ANTIOXIDANTS

ACIDS

PROTEINS

PLANT SOURCES

VITAMINS

The Soci t  Difference

Soci t  products are free from the following harmful ingredients:

Parabens	<ul style="list-style-type: none"> • Used as preservative. • Studies detected parabens in breast tumors. • Concern of run-off in water supply, killing lower life forms.
Propylene Glycol	<ul style="list-style-type: none"> • Used as a humectant. • It has been found to provoke skin irritation and sensitization in humans.
Sodium Laurel Sulfate	<ul style="list-style-type: none"> • A cleansing agent used in a multitude of products. • Used throughout the world for clinical testing as a primary skin irritant. • Laboratories use it to irritate skin on test animals and humans so that they may then test healing agents to see how effective they are on the irritated skin.
Artificial Colors or Fragrance	<ul style="list-style-type: none"> • Most likely culprit to cause inflammation and allergic reaction.
